Commissioners' Report.

To the Citizens of Coos County :

The annual report of the Commissioners of Coos County for the year ending Dec. 31st, 1912, together with the reports of the Superintendent of the County Farm, County Farm Physician, Chaplain, Sheriff, Jailor, Solicitor, Clerk of the Superior Court, County Treasurer and Auditors is herewith presented for your consideration.

County Farm and Almshouse.

Mr. and Mrs. Edward C. Fuller, superintendent and matron, who have been at the head of this institution for a number of years have discharged their respective duties and trust with great fidelity and integrity, they have our highest commendation and thanks for their good management of the institution and their humane treatment of the inmates.

It has been the aim of the Commissioners in all cases to properly care for and aid those in actual need of assistance. Those at the farm have been well supplied with wholesome food, comfortable beds and clothing and the sick have been well cared for by a trained nurse and the medical treatment has been well administered by G. W. Barbour, M. D. of West Stewartstown.

During the past year we have done considerable repairing on the County farm buildings so that they are now in good condition; the farm is also in a high state of cultivation.

During the year we reduced the County debt by paying a County bond of \$5,000.00 leaving the County debt \$20,000.00, less than it was four years ago. The financial condition of the County is now in better shape than it has been for a number of years. The County appropriation for the past two years was reduced \$25,000.00 and with our present cash balance on hand we

are in a position to recommend a further reduction in County taxes for the next two years.

The Commissioners wish to thank the Selectmen and the Overseers of the Poor in the various towns of the County for their hearty co-operation in assisting us in saving the County from unnecessary expense.

We wish to thank all of the officers and citizens of the County and all with whom we have had dealings for their uniform kindness and courtesy.

Respectfully submitted,

MILES W. GRAY,
J. P. BOUCHER,
J. A. VAILLANCOURT,

Commissioners.

Physician's Report.

To the Commissioners of Coos County:

Gentlemen:—I respectfully submit to you the report of physician to Coos County farm for the year 1912.

The general health of the inmates has been very good and the feeling among them has been that of appreciation in the most part.

The deaths have been due to chronic diseases or conditions incident to old age. There has been a few cases of acute diseases, all of which have recovered.

The sanitation has been excellent.

A resident trained nurse makes it possible to care for patients that would otherwise have been impossible to care for satisfactorily.

Chaplains' Report.

To the Honorable Commissioners of Coos County, New Hampshire:

DEAR SIRs:—The religious duties of the chaplain have been attended to this year as in the past, with the same hearty assistance of Mr. and Mrs. Fuller who have the care of the Home.

The Sunday afternoon service is greatly indebted to Mrs. Force Moore for her efficient service as organizer and leader of the singing and those who assist from the villages nearby.

Yours cordially,
J. W. LEES.

Commissioners of Coos County:

GENTLEMEN:—I beg to report to you that I have visited the inmates of County Farm Home from time to time whenever the necessity presented itself. Mr. and Mrs. Fuller always notify me whenever a Catholic is ill and I am always glad to respond to the call. In fact Supt. Fuller and his wife appear anxious to do all in their power for their charges.

Respectfully yours,
W. J. CAVANAUGH.

The Grand Jury at the April Term returned nine indictments as follows:

At the September term six indictments were returned as follows:

There have been various appeals from police and justice courts entered during the year. Four of these are still on the docket and one indictment. All the other cases as well as those pending at the beginning of the year have been disposed of.

The cases finally disposed of before police and justice courts have steadily increased during my service as solicitor, and I believe that this course is advisable when the proper results can thereby be obtained.
